EtherBit's team mechanism operates on a generation matrix system. From Level 1 to Level 6, asset holdings determine your earnings: L1: Earn daily rewards from 2-line depth. L2–L3: Earn rewards from 3-line depth. L4–L6: Earn rewards from 4-line depth. If any Level 1 or Level 2-3 members withdraw funds and leave with an account balance below the minimum recharge of \$30 within 2 Days, they will be considered inactive lower-level members and will be downgraded to the corresponding level
